NOTES: This certificate must be read in conjunction with the report referred to above.  
The results of these tests are only applicable to the test sample submitted for testing.  
This test certificate does not guarantee ongoing conformity of production.  
(SATRA's standard terms and conditions apply).

# Test Certificate

ERGONOMICS  
UNIT

This certificate confirms that the

## Atlas Desk range

manufactured by

## Herman Miller

conforms with the **BS EN ISO 9241, 1999: Ergonomic requirements for office work with visual display terminals (VDT's); Part 5: Workstation layout and postural requirements.**

This summary certificate is based on evidence of satisfactorily passing further tests required by standards referred to in the BS EN ISO 9241, Part 5 and additional ergonomics testing and evaluation carried out by FIRA Ergonomics Unit.

Atlas Desk range is considered to be capable of meeting the minimum requirements as stated in the Annex of the European Commission's Display Screen Equipment (DSE) Directive (90/270/EEC) and the minimum requirements as stated in the Schedule of the Health and Safety (Display Screen Equipment) Regulations, 1992 as amended by the Health and Safety Regulations 2002. Therefore Atlas Desk range is suitable for use at the DSE workstations.
